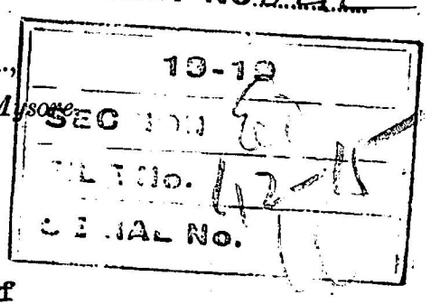
DIARY No. 5211



From

RAO BAHADUR M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

P.G. D'Souza, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
BANGALORE.

SIR,

With reference to Government Notifications No.12568/Edn. 334-13-4 dated 13th June 1914 and No.5448/Edn.57-14-10 dated 22nd June 1915 notifying 27 places in all under the Compulsory Education Regulation, I have the honour to request that the 40 places noted in the accompanying list marked A. may be notified under the said Regulation for the year 1916-17. The statement marked B. gives in brief an account of the progress made in each of the 27 places already notified. It may be said that the Scheme has been accepted on the whole with much willingness by the people, though they are generally reluctant to pay any fees or give other material help. A draft Notification relating to the 40 places newly proposed is enclosed for approval and publication in the Gazette.

In this connection, I beg to point out that the cost of

the schools sanctioned hitherto under the operation of the Element-
ary Education Regulation and that of the schools sanctioned in the
course of the current year under the same Regulation have to be -
merged in the allotment required for recurring expenditure under -
Vernacular Schools for the next official year, 1916-17. The lump-
sum of Rs.40,000 entered in the list submitted with this office - -
letter No.21717/820 dated 1st May 1916 represents the extra amount
required for opening new schools under the same regulation during
the next official year.
